### Links To Important Rail Industry Information

#### Class I Railroads

- BNSF
- Canadian National
- Canadian Pacific Railway
- CSX Corporation
- Kansas City Southern Lines
- Norfolk Southern
- Union Pacific Corporation

#### Regional and Short Line Railroads

- Arkansas & Missouri Railroad
- Aberdeen & Rockfish
- Alaska Railroad
- Canton Railroad Company
- Dakota, Minnesota & Eastern Railroad
- Emons Transportation Group, Inc.
- Guilford Transportation
- I&M Rail Link
- Montana Rail Link
- RailAmerica, Inc.
- Red River Valley & Western Railroad Company
- Twin Cities & Western Railroad Company
- 

#### Associations

- Association of American Railroads

- American Public Transit Association
- American Railway Engineering and Maintenance-of-Way Association (AREMA)
- Bureau of Transportation Statistics National Transportation Library
- Institution of Railway Signal Engineers
- Intelligent Transportation Systems
- National Railroad Construction and Maintenance Association (NRC)
- Operation Lifesaver, Inc.
- Railway Engineering-Maintenance Suppliers Association (REMSA)
- Railway Systems Suppliers, Inc. (RSSI)
- Railway Tie Association (RTA)
- The National Corridors Initiative

#### Regulatory Agencies

- Federal Railroad Administration
- Federal Transit Administration
- National Transportation Safety Board
- Transportation Safety Board of Canada
- U.S. Department of Transportation

#### Information Resources

- The Blanchard Company
- Communications Based Train Control
- FEDWORLD
- NRC Canada Center for Surface Transportation Technology
- Railroad Performance Measures
- Rail Transit Interface Standards
- Transportation Communications Interface Profiles
- Railway Technical Research Institute (Japan)

- Transportation Systems Design
- Transportation Technology Center
